END TIME SCENARIO BY JORDAN MAXWELL

The Ancient Civilizations Behind Biblical Prophecy | Jordan Maxwell

The Bible's End Times Decoded - Jordan Maxwell exposes the hidden prehistory behind biblical End Times, revealing forgotten civilizations, cosmic cycles, and esoteric codes buried in scripture. This is the forbidden story behind religion's greatest secrets.

I highly recommend Jordan Maxwell because unlike Christians today HE DOES HIS HOMEWORK. I do not agree with everything he says or his interpretation of some of the ancient texts, however when you listen to Jordan an entirely new idea of biblical lore opens up for you because he goes back to the AUTHENTIC ANCIENT TEXTS to determine the meanings for what is being said in the Roman Bibles etc. He understands the symbolisms in the Bible that Christians do not know about and he understands the real meanings of the words in the current Bible Texts which Christians never study either.

IMPORTANT: The Hebrew language was a Canaanite language of the ancient Phoenicians NOT the

language of ORIGINAL MAN who appear to have been living in Northern Israel before they were taken into captivity in around 700 BC. The Hebrews worshipped the Elohim alien gods. The Jews practiced Judaism instead and worshipped Yahweh Ildabaoth the Demiurge YHWH. They were different languages, different religions and different tribes.

Scientists Claim Cro Magnon DNA Fully Modern, Unchanged for 28,000 Years

A Cro-Magnon DNA sequence 28,000 years old was obtained from fossil bones discoverd in the Paglicci cave, in Italy. The results show that the DNA is identical to the DNA sequences of certain modern Europeans. The DNA sequence has remained static and unchanged over 28,000 years. This means that Cro Magnon was a fully modern individual who perhaps had a larger brain capacity. (1)

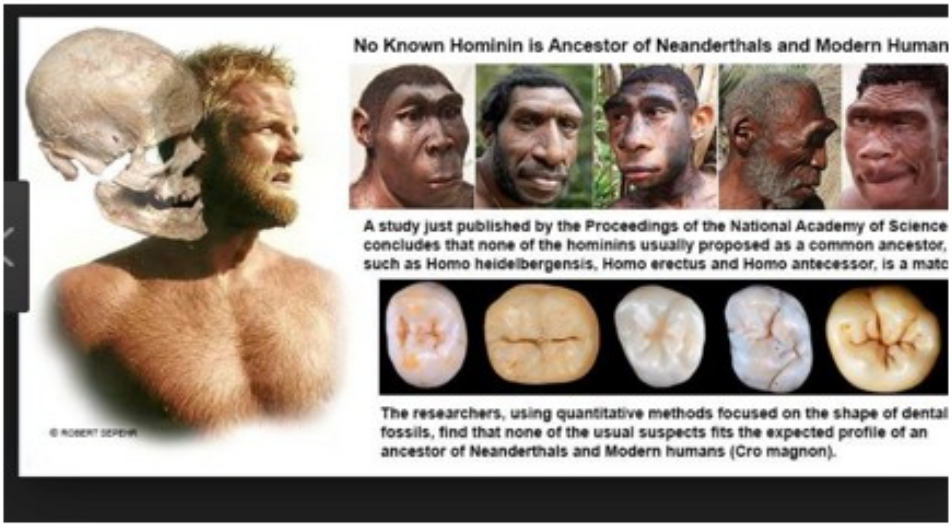
Seven thousand five hundred fifty-six (7556) haplotypes of 46 subclades in 17 major haplogroups were considered, and the finding that the Europeoid haplogroups did not descend from "African" haplogroups A or B is supported by the fact that bearers of the Europeoid haplogroups, as well as all non-African haplogroups do not carry either SNPs M91, P97, M31, P82, M23, M114, P262, M32, M59, P289, P291, P102, M13, M171, M118 (haplogroup A and its sub-clades SNPs) or M60, M181, P90 (haplogroup B). ORIGINAL SCANDINAVIAN MAN came from what used to be the North Pole until the techtonic plates moved to where they are today which caused their subtropical lands to freeze over driving these scandinavians south around the world before during and after the Ice Age.



No Known Hominin is Ancestor of Neanderthals and Modern Human
A study just published by the Proceedings of the National Academy of Science concludes that none of the hominins usually proposed as a common ancestor, such as Homo heidelbergensis, Homo erectus and Homo antecessor, is a matc
The researchers, using quantitative methods focused on the shape of dental fossils, find that none of the usual suspects fits the expected profile of an ancestor of Neanderthals and Modern humans (Cro magnon).

Scandinavian man did not evolve from primates as we have falsley been told to promote evolution or the Sumrian Adam story.

The New Testament tells us that Jesus created everything in the very beginning under the Heavenly Father who apparently gave him the task . Man came in fully human and ready to go. to live in our world which is why the earth was created. We are sort of a created expression which some call an experiment of love.

John 1 New International Version

The Word Became Flesh

1 In the beginning was the Word, and the Word was with God, and the Word was God. **2** He was with God in the beginning. **3** Through him all things were made; without him nothing was made that has been made. **4** In him was life, and that life was the light of all mankind. **5** The light shines in the darkness, and the darkness has not overcome[a] it.

6 There was a man sent from God whose name was John. **7** He came as a witness to testify concerning that light, so that through him all might believe. **8** He himself was not the light; he came only as a witness to the light.

AI Overview

Yes, traditionally, the author of the Gospel of John and the First Epistle of John (1 John) are considered the same person, the Apostle John, the son of Zebedee, though some modern scholars debate shared authorship. Both writings share strong similarities in vocabulary, themes (light vs. darkness, love), and style, with the author of 1 John claiming to be an eyewitness to Jesus, aligning with the Apostle John's role, suggesting they come from the same "Johannine" tradition or author.

Our Heavenly Father and Jesus placed original man on earth fully human in John 1. There were more than one men named John in the Bible. John the Apostle, who wrote the Gospel of John 1, 2, 3, The Jewish John the Baptist, John Mark author of Mark, John of Patmose who was thought to be the author of Revelations.

John 1 is a COMPLETELY DIFFERENT CREATION STORY THEN THE STORY OF THE JEWISH SUMRIAN PERSIAN GULF ADAM who was a genetically modified version of man created by Satan who was the leader of the Elohim in Genesis and who corralates with the Sumrian God Heads who ruled over these ancient hybrid cultures. The Persian Gulf hybrid Adam is the

Jewish OLD WINE story of the creation of hybrids where Jesus later came to teach the NEW WINE ideologies that John was promoting in John 1 where John teaches that Jesus the WORD OF GOD made all things originally. Without the knowlegde to create life on earth mankind would not exist. If we look at the story of these FALLEN ELOHM WATCHER BEINGS that are associated with ancient hybrid cultlures like Sumer we find that these FALLEN BEINGS DID NOT HAVE THE KNOW HOW TO CREATE HUMAN BEINGS ALL THEY COULD DO IS GENETICALLY MODIFY OR TWEEK WAS DOES EXIST ON EARTH. We learn that once they became FALLEN BEINGS THAT THEY LOST MOST OF THEIR KNOWLEGE and ABILITIES.

What they have been doing in the mean time is UPGRADING their hybrids which appear to be what is happening in during alien abductions. It looks like their technologies today are similar to the techologies they used in the ancient hybrid cultures in the past before they caused the last Geophysical Pole Shift, Younger Dryas, Flood periods.

The only place I differ with Jordan is that he thinks mankind came from the hybridization of hominids by aliens as stated in the Bible which came from the Sumerian legends where the Anunnaki, Elohim gods created man using cloning techniques as is mentioned in the story of the Persian Gulf Adam in the book of Genesis.

That story has nothing to do with ORIGINAL MAN. I believe ORIGINAL MAN was a fabulous race of Scandinavians with Mitochondria DNA that we all share today.

I tend to follow where the scientific bred crumb trails take me instead of relying on Old Testament and Sumerian lore to teach me ANYTHING.

The creation story of Adam is the Sumerian version of the creation of hybrid man only. I feel the Sumerian story of hybrid man is a story of the hybridization of tribes who lived in Iraq and the Middle East and in various regions around the ancient world.

I do not believe those stories have anything to do with ORIGINAL MAN except for the fact that aliens used the DNA of ORIGINAL MAN TO CREATE THEIR HYBRIDS including Bigfoot, Dogman and other Chimera. We refer to hybrid man as **GENETICALLY ENGINEERED MAN**.

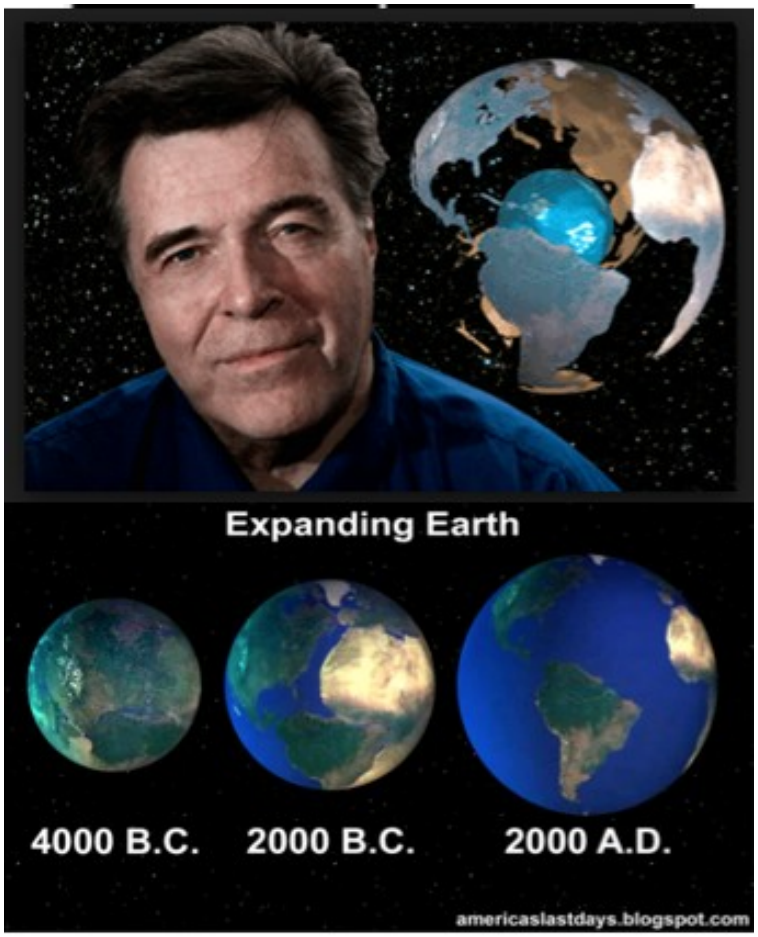
Written in cuneiform, Letter 19 of the Amarna archive is from Tushratta of the Mitanni to Pharaoh Amenhotep III. The king professes brotherly love to the pharaoh, extols the closeness of the ties between his land and Egypt, and discusses gold mining.

ZEV RADOVAN/BIBLELANDPICTURES/ALAMY

Written in the 14th century B.C., they consist of correspondence between the pharaohs and their rival kings, the Babylonians, Assyrians, Hittites, and Mitanni, as well as letters from puppet kings under Egyptian rule. Beginning in the reign of Amenhotep III (1390-1353 B.C.), Egypt's great builder king, the archive also tracks the reign of his son, Akhenaten (1353-1336 B.C.), whose religious revolution convulsed ancient Egypt for a generation. The letters open a window into 18th-dynasty Egypt and give a detailed snapshot of the eastern Mediterranean and Middle East in the Late Bronze Age, just as Egypt was consolidating its greatness and the new power of Assyria was beginning to flourish.

Revealing the writers' flattery, arrogance, jealousy, and groveling, the letters also provide an insight into the developing complexity of international diplomacy. The growth of large empires jostling for supremacy had created the need for a system of rules, and the Amarna communiqués give historians unparalleled insights into how these early rules worked.

In this video Jordan is sharing his opinions of what will be happening soon on earth as he reads the stories in the Bible, ancient legends and lore and combines them with what we know today as it relates to aliens and the alien wars we hear about in the Bible, archeology, geology and ancient lore. Ancient hieroglyphics are clear about ancient aliens and how they once dominated the ancient hybrid regions of the world



Jesus and or Revelations tell us that Jesus will be creating a whole new world for us soon. If you look at past earth changes you will discover that our world was once one big round ball with no oceans or seas. You will learn that our earth has been expanding into 7 continental plates.

It is my suspicion that our earth will start to shrink back to that solid ball arrangement as the tectonic plates began to move back together and that this will be the catastrophic event that will be happening soon according to ALL ANCIENT LORE.

According to ancient lore including Bible, Sumerian etc., it was the GODS THAT DID THIS TO THE EARTH. That it was the wars of the gods over mankind that caused these catastrophic events and they are back to DO IT AGAIN.

At the end Jordan makes a good point when he quotes Jesus saying "you have not because you ask not." Meaning that you need to ask Our Heavenly Father for what you want. Whether he grants it or not is not up to us. He has his own plans for us that we are not privy to as we make our way in this very hard world we live in.
